

My Road Safety Checklist

I can find the safest place to cross.

I can stop just before I get to the kerb.

I can look all around for traffic.

I can listen for traffic.

I can wait for traffic to pass before crossing.

I can wait until it is safe before I cross the road.

I can continue to look and listen for traffic whilst I cross the road.

I can cross the road sensibly by walking and not running, and not walking diagonally.
